# YEOVIL IS NOT A MARGINAL SEAT

## TACTICAL VOTING WILL NOT WORK HERE

- Yes, our current voting system is **unfair** and not representative but that doesn't mean you have to vote for a party you don't agree with.

In Brighton Pavilion in 2001, the Green Party came **4<sup>th</sup>**.

In 2010, Caroline Lucas **won** and became the first ever Green MP.

Never say never – it can be done – a Green Vote is **not** a wasted vote.

## VOTE FOR DIANE

- A down-to-earth forward thinking Yeovil woman who will listen to and represent all her constituents
- A candidate who believes that politics should be about integrity, trust and principles, for the long term wellbeing of everyone
- A Mum who genuinely cares about our wonderful community in South Somerset and wants to make it a better place for our families

It's time to **be bold**, **stand up for what you believe in** and be a part of a positive global political movement for our children's futures.
